Catherine Violet Hubbard
ANIMAL SANCTUARY

CUB SCOUT PROGRAMS

Get ready to go Into the Wild right here in Newtown. The Catherine Violet Hubbard Animal Sanctuary is the perfect outdoor classroom for your next **Cub Scout Adventure**!
Our dedicated programs are hosted on 34 acres of diverse habitats, from tranquil woodlands to buzzing meadows, giving your Den hands-on opportunities to explore. We focus on nature, conservation, and the important value of empathy toward all living things, helping your Scouts develop character as they work toward their next rank.

Join us to live the Cub Scout motto, **"Do Your Best,"** in an environment that inspires respect for nature and a lifelong **Conservation Good Turn!**
